

| ⊙ | **Ignition** Opens a structured session. Use at the start of every AXIS conversation.

---

| ^ | **Give** Transmits material. What follows is content, not instruction. Close with |.

---

| . | **Complete** Ends the current thought. The exchange continues.

---

| + | **One action** The AI executes one action and stops. No follow-ups.

---

| ? | **Question** Signals genuine inquiry. The AI answers directly and honestly.

---

| o | **Close** Terminates the session. The AI adds nothing after this.

---
